

# Rake Forest

Rake Forest is an annual student event that started in the fall of 2010, which we hope will continue to be an opportunity for students to have a positive impact on the communities surrounding Wake Forest's campus—but we need your help!

On Saturday, November 17<sup>th</sup> between 10am and 12:30pm, students will volunteer to complete home projects free of charge. Ideal projects could be completed by a small team of students, and cannot involve the use of power tools. Simply complete this form and mail it in to us before Friday, November 9<sup>th</sup>. Or, email us the information at: [RakeForest2012@gmail.com](mailto:RakeForest2012@gmail.com) by the same date. We will be in touch with you before the event to confirm project details.
